Declaration of Michael S. Romano

I, Michael S. Romano, hereby state:

1. I am currently employed by the Federal Bureau of Prisons as an Attorney Advisor at the United States Penitentiary (USP) at Lewisburg, Pennsylvania. As part of my duties, I have access to inmate records and files which are maintained in the regular course of business.

2. The Petitioner, Damon Landor, Reg. No. 28711-034, is currently incarcerated at the United States Penitentiary (USP) Lewisburg. He was convicted in the United States District Court, Eastern District of Louisiana for drug related charges. He has a projected GCT release of October 4, 2013 (as of September 4, 2012). **See Attachment A, Public Information Inmate Data.**

3. On January 6, 2009, Landor received an incident report for possession of a weapon (Code 104). While at USP McCreary he had a DHO hearing on January 21, 2010. For procedural reasons it was re-heard on March 23, 2011, at USP Lewisburg. The incident report was re-written and is included in the DHO packet.

See Attachment B, Inmate Discipline Data Chronological Record (pages 4 & 7)

4. Pursuant to an administrative remedy (May 5, 2010), the Mid-Atlantic Regional Director remanded the incident report to the institution for further investigation. **See Attachment C, Regional Administrative Remedy Response to Remedy No. 577096-R1.**

5. Landor was transferred to and arrived at USP Lewisburg on May 11, 2010.
See Attachment D, Inmate History, Adm-Rel.

6. Records indicate that Landor had requested the status of the re-hearing from the Discipline Hearing Officer (DHO) Office at USP Lewisburg on several occasions. The DHO office requested an update as to the re-write of the incident report starting as early as August 31, 2010. **See Attachments E, August 6, 30, 2010, Inmate Cop outs; F, an August 31, 2010, e-mail from Marcy Inch to Kevin Littlejohn.**

7. The incident report was re-written on December 7, 2010 and was delivered to the inmate the same day. The DHO was only able to conduct the re-hearing on March 23, 2011. **See Attachment G, DHO Report and Packet dated March 23, 2011.**

8. The Bureau of Prisons has a three level administrative remedy process which is a method by which an inmate may seek formal review of a complaint related to any aspect of his confinement if less formal procedures have not resolved the problem. Normally, this process involves the filing of a request for administrative relief (BP-9) to the Warden of the institution where the inmate is confined. For tracking purposes, institution level requests are assigned a tracking number followed by an "F".

9. In the event the inmate is dissatisfied with the Warden's response, he may file an appeal (BP-10) to the Regional Director. Regional filings maintain the same tracking number, followed by an "R".

10. If the inmate is dissatisfied with the Regional Director's response, he has 30 days to file an appeal to the General Counsel (BP-11). See 28 CFR Part 542, subpart B. Central Office level appeals maintain the same tracking number, followed by an "A." A decision by the Bureau of Prisons is not final, and hence not reviewable, until relief has been denied by the General Counsel's Office. 28 CFR § 542.15.

11. A review of the SENTRY computer generated Administrative Remedy Generalized Retrieval was performed. The search revealed Landor has filed 105 administrative remedies (as of September 4, 2012). **See Attachment H, Administrative Remedy Generalized Retrieval.**

12. Landor appealed the March 23, 2011, DHO re-hearing of IR. No.1818253 directly to the Northeast Regional Office. Records indicate Remedy No. 635867-R1 was received in the Northeast Regional office on April 14, 2011. It was rejected on April 19, 2011. The rejection codes reflect: "QUA OTH RSR". **See Attachment H, Administrative Remedy Generalized Retrieval page 46.**

13. The codes "QUA OTH RSR" are explained in the attachment to the administrative remedy program statement:

- a. "QUA" indicates a complete set of copies were not submitted;
 - b. "OTH" indicates rejected for a reason listed in the remarks section of the remedy printout;
 - c. "RSR" indicates the petitioner was given 10 days to re-submit in the proper form.
- See Attachment I, Status Codes for Administrative Remedies.**

14. Landor resubmitted the appeal to the regional office on May 9, 2011 (635867-R2). It was rejected on May 24, 2011. **See Attachment H, Administrative Remedy Generalized Retrieval page 46.**

15. Landor again re-submitted the appeal to the regional office on June 6, 2011. It was denied on July 7, 2011. **See Attachment H, Administrative Remedy Generalized Retrieval page 47.**

16. He appealed to the central office (national level, Office of the General Counsel) on July 22, 2011. It was rejected on August 22, 2011. **See Attachment H, Administrative Remedy Generalized Retrieval, page 47.**

17. The codes related to the rejection "OTH RSR" are explained in the attachment to the administrative remedy program statement:

a. "OTH" indicates rejected for a reason listed in the remarks section of the remedy printout;

b. "RSA" indicates the petitioner was given 15 days to re-submit in the proper form. **See Attachment I, Status Codes for Administrative Remedies.**

18. Records indicate he did not attempt to re-submit to the national level. **See Attachment H, Administrative Remedy Generalized Retrieval.**

I hereby state under penalty of perjury pursuant to the provisions of 28 U.S.C. § 1746 that the above is accurate to the best of my knowledge.

Inmate Landor #28711-034 regularly corresponds with the DHO Office at USP, Lewisburg regarding the status of his remand from USP, McCreary. It is our understanding that there is no DHO at USP, McCreary for us to contact regarding this case. The documentation you forwarded indicates the I/R was to be rewritten by staff at USP, McCreary. IV. FINDINGS OF THE DHO						
X	A. The act was committed as charged.					
	B. The following act was committed:					
	C. No prohibited act was committed: Expunge according to Inmate Discipline PS.					
V. SPECIFIC EVIDENCE RELIED ON TO SUPPORT FINDINGS (Physical evidence, observations, written documents, etc.)						
<p>Your due process rights were read and reviewed with you by the DHO at the time of the hearing. You stated you understood your rights, had no documentary evidence to present, did not require a staff representative and requested no witnesses.</p> <p>The DHO finds you committed the prohibited act of Possession of a Weapon, Code 104. The DHO bases this finding on the eyewitness account of M. Morgan, T&A Clerk, who stated, "I conducted a routine search of cell 105 in unit 6B which is assign to inmate Landor Reg. No. 28711-034 and inmate Parks Reg. No. 09550-007. During the search of the lower locker that is assigned to inmate Landor I discovered a homemade manufactured weapon. The weapon was sharpened at one end to a point with a cloth handle and a lanyard, approximately 6 inches in length. That was concealed inside the crotch area of a pair of khaki trousers. Landor's name and reg. Number was affixed to the trousers that the homemade manufactured weapon was concealed in. Inmate confessed to Lieutenant Hardin that the homemade manufactured weapon was his."</p> <p>During the investigation you did not have a comment. During the UDC hearing you stated, "No comment."</p> <p>You denied the charge, and presented as your defense, "The weapon was 8 inches long not 6 inches. I was just put in the cell 3 days prior to the incident. I never received A&O before the shot. My property was not in my locker. The officer didn't produce the pants as evidence; they didn't even take a picture of the pants. The Lady who wrote the shot is lying. She violated my rights."</p> <p>You stated you had not yet received Institution A&O. Therefore, implying you was not aware of the prohibited acts at USP McCreary. However, upon your arrival at USP McCreary you received a copy of the Admissions and Orientation Booklet. This booklet discusses the prohibited acts and the disciplinary severity scale. You stated you were only in the cell for three days prior to the incident. Upon further investigation it was shown that you were in cell 105 in unit 6B for five days. You also produced a picture of a manufactured weapon that was 8 inches long which would contradict the incident report if the DHO had the same picture. This DHO did not have a picture of the weapon. Therefore, the picture you have cannot be used to discredit the incident report.</p> <p>Based on M. Morgan's statement that she discovered a homemade manufactured weapon which was approximately 6 inches in length and was sharpened to a point with a cloth handle and a lanyard in a pair of your pants, which had your name and register number affixed to them. M. Morgan</p>

FEDERAL BUREAU OF PRISONS

also stated, you confessed to Lieutenant Hardin that the homemade manufactured weapon was yours. Therefore, the DHO finds you committed the prohibited act of Possession of a Dangerous Weapon, Code 104

VI. SANCTION OR ACTION TAKEN

Code:104

Disallow Good Conduct Time: 40 Days.
 Disciplinary Segregation: 30 Days.
 Loss of Visitation Privilege: 180 days.
 Disciplinary Transfer.

VII. REASON FOR SANCTION OR ACTION TAKEN

The action/behavior on the part of any inmate to possess, manufacture or introduce any type of weapon, firearm, or explosive capable of inflicting serious injury to another person, whether another inmate or staff member, threatens the health, safety, and welfare of not only the inmate involved, but that of all other inmates and staff. In the past, this type of action/behavior has been shown to result in serious injuries, even death, and the serious loss of property. The sanctions imposed by the DHO were taken to let the inmate know that he and he alone, will be held responsible for his actions/behavior at all times.

The sanctions against the visitation privilege for this charge were due to the particular act. Because Possessing a Dangerous Weapon at any institution possesses an elevated security risk, it is felt that additional sanctions are necessary. These sanctions are used to both deter future behavior of this type, and to impress the understanding that this behavior is seen as serious at this institution. It is felt these particular sanctions will have this effect.

VIII. APPEAL RIGHTS: The inmate has been advised of the findings, specific evidence relied on, action and reasons for the action. The inmate has been advised of his right to appeal this action within 20 calendar days under the Administrative Remedy Procedure. A copy of this report has been given to the inmate.
